PURPOSE:

To set the guidelines for the internship program of Bachelor of Science in Nursing students.

LEVEL:

NICIS Supervisor and Staff, Student Interns, Attending Physician, and School Clinical Instructors

DEFINITION OF TERMS:

Internship Program. It is a ten (10) months internship program extended to all Bachelor of Science in Nursing students who have successfully passed their three years in college and who have met the requisites for the said program.

POLICY:

1. It is the policy of the Section to adhere to all applicable Laws on Internship issued by the Commission on Higher Education and other joint memoranda related thereto, duly issued by the government or any of its regulating agencies.
2. It is the policy of the Section that student-interns shall strictly observe and adhere to the Policy and Procedures of the Hospital.
3. It is the policy of the Section that a student who is to undergo internship in the DPOTMH NICIS Section shall have proper and valid endorsement in writing from his/her school. Such endorsement should be duly signed by the Clinical Instructor In-Charge of the course/program or signed by an authorized person of the school. Confidentiality Agreement and other pertinent forms/consent, in observance of Data Privacy Act, should be submitted through its Manager **ONE WEEK** prior to their deployment.

4. Student-interns shall accordingly be supervised by both Clinical Instructors and the NICIS Staff during their actual internship schedules. The Clinical Instructor shall also check their requirements and see to it that duty schedules are strictly followed.
5. DPOTMH NICIS Section Supervisor/Staff shall sign the accomplished requirements within **three (3) days** from the day the examination/procedure is done. They shall not sign delayed requirements. Those which are unsigned during the prescribed period shall be considered **null and void**.
6. The list of student-interns shall be forwarded to the Section Supervisor for proper scheduling of rotations a month before their actual deployment. Absences during duty hours shall be duly monitored by the Clinical Instructor(s) assigned to the NICIS. Duty schedules are 6-2, 2-10, 10-6.
7. For school activities where student-interns have to be present, and which are in conflict with the student-interns' duty hours in the Section, the school shall notify the Supervisor **one (1) week** prior.
8. Student-interns who fail to comply with the number of requirements shall coordinate with their respective Clinical Instructors, who shall in turn coordinate with the Section Supervisor for proper scheduling of make-up duties. Make-up duties shall be done **after** the regular rotation schedule of the affiliated school has been finished. The DPOTMH NICIS Section shall not be held responsible for the student-interns' inability to meet the requirements by reason of failure to abide by this policy.
9. In case of pilferages, wastages, or damages to the supplies, instruments, equipment, and machines in the Department due to the fault of the student-intern(s), Incident Report shall be required, furnishing one (1) copy to the school

and another copy to the Section Supervisor for appropriate actions. Such damages shall be borne by the student-intern(s).

10. No student-intern is allowed to commence his/her training in the NICIS Section **without attending the orientation and without full completion of the pre-deployment requirements**. The Clinical Instructors are likewise required to be present.
11. Student-interns are given the list of requirements from each section during the orientation. Such requirements are to be complied with **before** the end of the training program. Requirements should be signed by the supervising staff/CI. Having **other staff/CI** sign the requirement is NOT ALLOWED and such shall be considered void.
12. Procedures shall be carefully reviewed by the student-interns. Precautionary measures must be strictly followed by ALL inside the NICIS.
13. No student-intern shall perform any test or procedures without the direct supervision of the DPOTMH NICIS Staff.
14. All procedures done by the student-interns shall be carefully reviewed by the assigned Clinical Instructors.
15. Student-interns are not allowed to go on break if there are still patients lined up for examinations except during their scheduled break times.
16. The NICIS Staff will not be held liable for whatever incident that may occur for failure of the student-interns to wear their proper PPEs. However, the student-interns shall be subject to disciplinary actions for violation of the Hospital Policy on PPEs.

PURPOSE:

To discuss the procedures involved in the implementation of the Internship Program.

SCOPE:

Applies to all NICIS Staff of Dr. Pablo O. Torre Memorial Hospital

PERSON RESPONSIBLE:

NICIS Section Supervisor, NICIS Staff, Student Interns, Sonologists and School Clinical Instructors.

PROCEDURE:

1. The School through the assigned Clinical Instructor furnishes the list of student-interns who are qualified to undergo internship Training with the DPOTMH NICIS Section **one (1) month** before the intended start of the Internship Program including the **signed** Confidentiality Agreement and other forms required by the Hospital or those required by law.
2. Rotation schedules are arranged by the Clinical Instructor who in turn furnishes the same to the NICIS. The Rotation Schedules shall be duly approved by the Section Supervisor. In this time of Pandemic, no two (2) schools shall have the same rotation schedule. These schedules shall be assigned by the NICIS such that it will facilitate exclusive internship of one school, one at a time.
3. The date for student-interns' orientation is arranged by the RCI Clinical Instructors. The Clinical Instructor is responsible in gathering all the student-interns who shall undergo training with NICIS Section on the date designated for orientation. **Policies and Procedures** of the Section are discussed during the orientation; and, must be **strictly** complied.
