Document Title:	OUT ON PASS PROTOCOL

PURPOSE:

- 1. To facilitate a patient's request for an "Out on Pass" leave.
- 2. To provide a procedural flow when the Attending Physician allows the patient to go "Out on Pass".

SCOPE:

Applies to all Nursing Service Division Staff of Dr. Pablo O. Torre Memorial Hospital (DPOTMH)

PERSON RESPONSIBLE:

Staff Nurses, Nurse Supervisors, Medical Doctors, Security Guards, Auxiliary, Ambulance Driver

GENERAL GUIDELINES:

- 1. Attending Physician shall authorize a request for "Out on Pass". Residents-on-duty may write the "Out on Pass" order in the patient's chart but only after informing the Attending Physician.
- 2. Phone order for "Out on Pass" shall not be allowed.
- 3. The duration of "Out on Pass" leave shall be 4 to 8 hours only. If the patient does not return after 8 hours, the Nurse-on-duty informs the Nurse Supervisor and the Attending Physician/Resident-on-duty.
 - 4. Only the following reasons shall be considered valid in obtaining an "Out on Pass" permit:
 - 4.1. To follow up documents such as SSS/ GSIS/ PhilHealth, HMO/ Insurance Services, bank and other financing transactions from outside the hospital premises, necessary for hospital admission/discharge.
 - 4.2. For medical check-up/work up in the other clinics/hospitals, not available in DPOTMH;

- a) For pediatric patients (those under 18 years of age), the parent or authorized guardian shall accomplish the "Out on Pass" form and receive all pertinent instructions on behalf of the patient.
- b) Ambulance services shall be provided.
- c) Patients chart shall not be sent to other institutions while the patient is on "Out on Pass".
- 5. Official "Out on Pass" forms shall be available at the Nursing Stations/Units and shall be filled up completely.
- 6. The hospital shall not be liable for any drug administration done outside of the hospital. Medications taken by the patients while "Out on Pass" are documented on the Medication and Treatment Record by encircling the time the medication was supposed to be given and writing the phrase "Out on Pass".
- 7. The Nurse on-duty shall re-orient the patient about the hospital security measures.
- 8. The re-orientation shall be reflected and properly documented in the patient's chart (Nurses Remark). The hospital shall not be liable for any loss of valuables in the hospital premises, or, in this case, that may occur during the "Out on Pass" period.

PROCEDURE:

- 1. The Nurse on-duty informs the Medical Doctors and the Nurse Supervisor on duty of the request and the need for "Out on Pass".
- The Nurse on-Duty secures a written order from the Attending Physician or Resident Physician after informing Attending Physician (Phone orders are not allowed).
- 3. For medical check-up/work up in the other clinics/hospitals, not available in DPOTMH:
 - 3.1. For pediatric patients (those under 18 years of age), the parent or authorized guardian accomplishes the "Out on Pass" and receives all pertinent instructions on behalf of the patient.
 - 3.2. Nurse on duty informs resident on duty to secure proper scheduling of resident/ PGI who will accompany the patient during transport.
