	Document Title:	UPHOLDING PATIENT'S RELIGIOUS RIGHTS

PURPOSE:

1. To provide guidelines in upholding patient's religious rights, beliefs and custom.
2. To accommodate the spiritual needs of the patient.

LEVEL:

Chaplain, Pastor, Medical Doctors, Information Section, all Departments/Division and employees of Dr. Pablo O. Torre Memorial Hospital (DPOTMH).

DEFINITION OF TERMS:

1. Right to Religious Belief - the patient has the right to refuse medical treatment or procedures which may be contrary to his religious beliefs, subject to the limitations described in the preceding subsection: Provided, That such a right shall not be imposed by parents upon their children who have not reached the legal age in a life threatening situation as determined by the attending physician or the medical director of the facility.
2. Holy Communion - also known as the Lord's Supper or the Eucharist—is a sacrament in Christianity, meaning that it is a visible and tangible means of God's grace that has been instituted by Jesus Christ.
3. Spiritual Counseling - is a form of psychotherapy known for its tactful integration of spirituality with psychotherapeutic guidance and care.
4. Sacrament of the Anointing of the Sick - is often simply referred to as the Sacrament of the Sick. In the past, it was commonly called **Extreme Unction**. Unction means an anointing with oil (which is part of the sacrament), and extreme refers to the fact that the sacrament was usually administered in extremity—in other words when the person receiving it was in grave danger of dying.
