not sign delayed requirements. Those which are unsigned during the prescribed period shall be considered **null and void**.

6. The list of student-interns shall be forwarded to the Department Manager for proper scheduling of rotations a month before their actual deployment. Absences during duty hours shall be duly monitored by the Clinical Instructor(s) assigned to the DIS. Duty schedules are 6-2, 2-10, 10-6.
7. For school activities where student-interns have to be present, and which are in conflict with the student-interns' duty hours in the department, the school shall notify the Department Manager **one (1) week** prior.
8. Student-interns who fail to comply with the number of requirements shall coordinate with their respective Clinical Instructors, who shall in turn coordinate with the Radiologic Section Head or DIS Manager for proper scheduling of make-up duties. Make-up duties shall be done **after** the regular rotation schedule of the affiliated school has been finished. The DPOTMH DIS shall not be held responsible for the student-interns' inability to meet the requirements by reason of failure to abide by this policy.
9. In case of pilferages, wastages, or damages to the supplies, instruments, equipment, and machines in the department due to the fault of the student-intern(s), Incident Report shall be required, furnishing one (1) copy to the school and another copy to the DIS Manager for appropriate actions. Such damages shall be borne by the student-intern(s).
10. No student-intern is allowed to commence his/her training in the DIS **without attending the orientation and without full completion of the pre-deployment requirements**. The Clinical Instructors are likewise required to be present.
11. Student-interns are given the list of requirements from each section during the orientation. Such requirements are to be complied with **before** the end of the training program. Requirements should be signed by the supervising staff/CI. Having **other staff/CI** sign the requirement is **NOT ALLOWED** and such shall be considered void.
12. Radiologic procedures shall be carefully reviewed by the student-interns. Precautionary measures shall be strictly followed by **ALL** inside the DIS.

## ANNEX

### RULES AND REGULATIONS FOR RADIOLOGIC TECHNOLOGY INTERNS

The student-interns should strictly follow the Rules and Regulations of the department in accordance to the Hospital Policy.

#### Time-In, Time- Out & Proper Identification

1. Upon arrival, one should have his/her time-in. Failure to do so will mean absence from duty.
2. Wear school issued ID AT ALL TIMES. If caught without it, appropriate punishment will be given.
3. Student-Interns should wear their complete uniform with ID and required PPE. Proper grooming must be observed at all times. No one will be allowed to render duty if he/she is not in complete uniform and not in required PPE of the area.
4. Girls should tie their hair. No polished fingernails. No moustache and earrings for the boys.

#### Break Times

1. Students are given 15-minutes snack break and 45-minute lunch break. They are not allowed to combine those breaks. Tampering of Daily Time Record is tantamount to dishonesty. Automatic suspension shall be given to students who shall violate this rule.
2. Student-interns are allowed to eat in the designated areas only, e.g. Hospital Canteen properly observing social distancing and other relevant eating protocols. The Clinical Instructor shall ensure proper scheduling of his/her student-interns to facilitate social distancing and non-cross infection. He/she likewise is responsible in monitoring his/her student-interns.
3. Parents and visitors are NOT ALLOWED to go inside the DIS Work Area. If they need to see the student, or bring him/her food, they should wait at the reception area.

#### Gadgets and Social Media

1. Gadgets of any kind are prohibited inside the workplace.
2. Taking pictures at the department and posting it later on Social Media Sites are NOT ALLOWED.
3. Using the company telephone for personal reasons is prohibited unless during emergency cases. Permission should be duly sought from the CI/Assigned Staff.
4. One is not allowed to watch TV at the Reception Area.

## PROCEDURE (SOP):

1. The School through the assigned Clinical Instructor furnishes the list of student-interns who are qualified to undergo internship Training with the DPOTMH Department of Imaging Sciences (DIS) **one (1) month** before the intended start of the Internship Program including the **signed Confidentiality Agreement** and other forms required by the Hospital or those required by law.
2. Rotation schedules are arranged by the Clinical Instructor who in turn furnishes the same to the DIS. The Rotation Schedules shall be duly approved by the Department Manager. In this time of Pandemic, no two (2) schools shall have the same rotation schedule. These schedules shall be assigned by the DIS such that it will facilitate exclusive internship of one school, one at a time.
3. The date for student-interns' orientation is arranged by the RCI Clinical Instructors. The Clinical Instructor is responsible in gathering all the student-interns who shall undergo training with DIS on the date designated for orientation. **Policies and Procedures** of the Department are discussed during the orientation; and, must be **strictly** complied.
4. At the end of the program, student-interns take the departmental examination as scheduled by the DIS. Those who cannot complete the requirements and pass the examination are given a chance to have make-up duties and take another examination. No clearance is given to him/her by the DPOTMH DIS, unless all the deficiencies are removed.
